

**Proposal for USF Campus Development
Committee
September 2, 2004**

Executive Summary: The Claw at USF golf course has received a proposal from the Florida State Golf Association (FSGA) to make the golf course the state headquarters for the

- Loss of control: Flexibility to serve USF students and organizations may become limited. (For example holding a cross country track meet on the course or USF related tournaments)

Response: In their proposal, FSGA has already i
