

## VITA

**Glenn Curtiss, Ph.D.**

---

Psychological Consultant  
Research Design & Statistical Analyses  
23933 Forest View Dr.,  
Land O' Lakes, FL 34639  
813-789-5033  
[gcurtissphd@gmail.com](mailto:gcurtissphd@gmail.com)

---

APA-accredited training program  
J. A. Haley Veterans Hospital, Tampa, FL

1979 M.Ed. in Research Methods and Statistics  
Loyola University, Chicago, IL

1974 B.S. in Psychology  
Loyola University, Chicago, IL

---

Licensed Psychologist  
State of Florida  
#PY4068

---

2016-Present Independent Practice  
(limited to statistical and research design consultation)

2010-2016 Supervisory Psychologist, SCI/D Rehabilitation Program  
(retired)

1993-2001

Clinical Neuropsychologist, Head Injury Program  
J. A. Haley Veterans Hospital, Tampa, FL

1989-1993

Principle Investigator 2008-2010

This study investigates the effect of blast-related TBI versus other traumatic etiologies on gait and balance and the differential affect of increased attention demand on gait and balance abilities. Funding: VA RR&D; \$435,000 from 2008-2010.
